

Getting my Haircut

My hair stylist shows me where to sit

The chair is big and comfy

My hair stylist puts a cape on me to protect my clothes

I sit still and feel calm when I see myself in the mirror

I get my hair washed

and dried

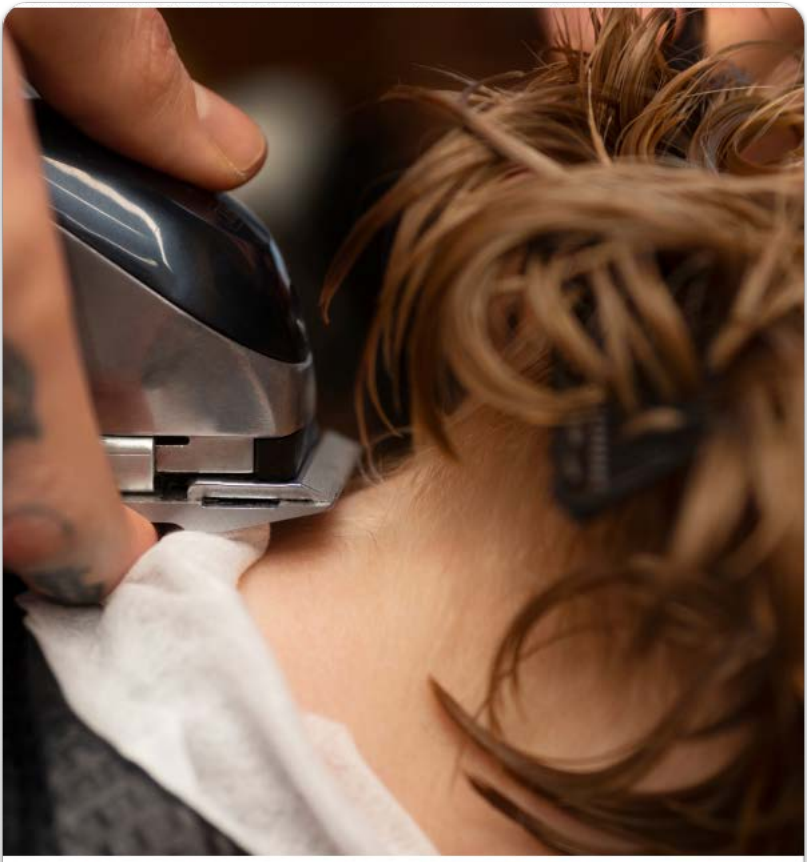

My hairstylist uses lots of tools

He combs my hair

He cuts my hair with scissors

Sometimes he uses a trimmer

He blowdries my hair and styles it

He asks me if I like it

I love my haircut

Awesome!
